Statement on the Attempted Assassination of Former President Donald J. Trump

ATTRIBUTE TO SHANNON O. ROYCE, J.D., PRESIDENT OF THE CHRISTIAN EMPLOYERS ALLIANCE

Cumming, GA — “Yesterday’s attempted assassination of former President Donald J. Trump is evidence of the Left’s insatiable appetite to paint their rivals as enemies to be destroyed. This should not be so. Yet with religious fervor, they have stoked unwarranted animosity against the president and fellow Americans merely for holding a different viewpoint. We as a nation are better than this.

“Rather than sink further into divisive foxholes, this is the perfect time for all sides to lay down their verbal artillery, step away from technology, and view others as they are intended—image bearers of God. **There is still time to heal our nation. Let us unite, seek peace and reconciliation, and forgive those who have broken our trust.** We are a nation of laws—not of mob rule. Therefore, those who failed to protect a presidential candidate, regardless of party affiliation, must be held to account. We entrust Congressional oversight of these agencies to search for the truth and bring all to justice.”

Christian Employers Alliance is a nonprofit organization whose mission is to unite, equip, and represent Christian-owned businesses to protect religious freedom and provide the opportunity for employees, businesses, and communities to flourish.
